EXHIBITOR SECTIONS:

Galleries

As the core section of The Armory Show, Galleries features outstanding 20th and 21st century artworks presented by the world's leading galleries. Visitors are invited to discover thousands of artworks spanning movements, mediums and cultures.

Insights

Dedicated exclusively to 20th century artworks, Insights emphasizes solo-artist, dual-artist and thematic presentations. This section highlights canonical works of modernism and the post-war era as well as overlooked artistic gems and rediscoveries.

Presents

Presents is a platform for galleries no more than ten years old to showcase recent work fresh from the artist's studio. Solo-artist and dual-artist presentations spotlight the next generation of artistic talents, which visitors can discover in this in-depth and intimate setting.

Focus

Focus comprises thematic presentations by today's most relevant and compelling artists, chosen by an annually appointed curator. The 2019 Focus section is curated by Lauren Haynes, Curator of Contemporary Art, Crystal Bridges Museum of American Art.

Platform

Introduced in 2017, Platform stages large-scale artworks, installations, and site-specific commissions across Piers 92 & 94. The 2019 edition of Platform is curated by Sally Tallant, Director of Liverpool Biennial, United Kingdom.

Armory Live

Armory Live brings together prominent curators, critics, artists, and cultural practitioners for a series of conversations, panels and screenings, hosted at the fair.
